

60W UVA LED Bar

20000 mW
Light Radiation

More flower, less power

Customising your light spectrum with LEDs has never been easier. The DAYLIGHT 60W UVA LED supplemental bar gives growers the option to tweak their spectrums to their plants desires. Either attach to existing DAYLIGHT LED fixtures or use independently as a standalone light, DAYLIGHT lighting provides a range of solutions for whatever your plants need.

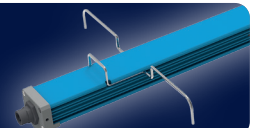

2 x 60W UVA Bars attached to
DAYLIGHT 660W PRO Fixture
